For investment commitments within a 13-month period, **Letters of Intent** may be used to qualify for reduced sales charges

A number of funds are subject to a variety of fee waivers and/or expense reductions. Please check the fund's current prospectus for full details.

- ¹ Due to rounding in the calculation of offering price, actual sales charges paid may be more or less than those calculated using these percentages.
- ² For Class A share net asset value (NAV) purchases: Shares redeemed within 18 months may be subject to a 1% contingent deferred sales charge (CDSC). For MFS® Limited Maturity and MFS® Municipal Limited Maturity Funds, class A NAV purchases that are redeemed within 18 months of purchase will be subject to a 0.75% CDSC charge.
- ³ This fund has fixed income pricing but is categorized as Multi-Asset.

Keep in mind that all investments, including mutual funds, carry a certain amount of risk, including the possible loss of the principal amount invested.

For pricing information about our Class R (available only to certain retirement plans and asset-based fee programs) and Class I (available through various wrap platforms) share structures, please visit the products and performance page at mfs.com or any applicable prospectus.
